PRODUCT SPECIFICATION SHEET

HUB™
BRAND HOLD UP BUTTONS

HOLD UP BUTTONS

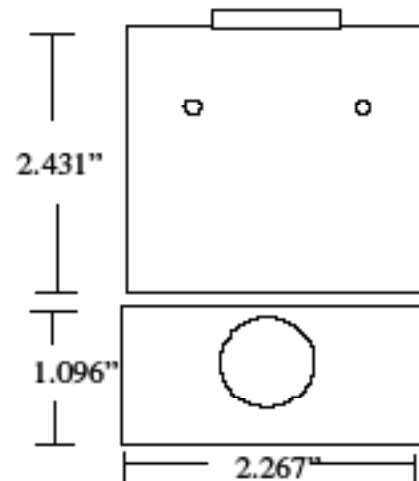

HUB ES Series

When you have an installation that requires a high quality button that is both visible and easy to access, the ES versions of our HUB's are the perfect answer. The switch inside the case is manufactured with gold, silver and copper. Also, we require the highest standard of components and take the extra time to hand-assemble the units in the USA to ensure reliability.

- **Gold & Silver Crosspoint Contacts**
- **Brass Terminals**
- **Stainless Steel Spring**
- **Thermoplastic Case and Button**
- **Copper Alloy Blades**
