PFR2-EC

- Five (5) optional settings for when notification of a power loss occurs: Instantaneous, 15 minutes, 2 hours, 12 hours, 24 hours.
- Dialer senses loss of power and based on setting will notify parties of loss condition only when time has elapsed.
- If power restores before set time has elapsed no call will be made.
- If power restores after set time has elapsed the dialer will commence calling for notification of power restoration.
- Package includes battery backup and transformer. Dialer can call telephones, cell phones, or pagers-up to four numbers.
